

**REKSAP**  
**Centres**  
For Early Learning

---

*REKSAP Centres for Early Learning provides a safe, well-supervised facility with comfortable atmosphere in which the daily program meets the needs and interests of the participating children. The program goals are to provide both individual and group learning opportunities in both indoor and outdoor environments. The curriculum is designed to allow flexible, spontaneous activities based on the children's interests.*

*Following HDLH and ELECT, our Registered Early Childhood Educators provide a stimulating, educational, play-based environment which guides the children's learning, enhances their knowledge, and meets their individual developmental needs.*

## **Educational Assistant**

### Qualifications

- Experience or related training in the field of Early Childhood Education
- Valid First Aid and CPR
- Valid Vulnerable Sector Check
- Up to date immunizations
- Completion of online courses (Worker's Health and Safety Awareness in 4 Steps, Integrated Accessibility Standards Regulations, Working Together: the Code and AODA)

The Educational Assistant reports to and works with the Executive Director and Program Supervisor. In the classroom, guidance and support is provided by the Registered Early Childhood Educators to help maintain a high quality, culturally sensitive, and inclusive program in accordance with the policies approved by the Board of Directors and the Program Statement.

### Casual, part-time

- The hours of work and location will be subject to change, consistent with operational requirements
- Casual dress
- On-site accessible parking and public transportation
